*...endless summer, sea and sand,
dreaming under palm trees, aromas of
exotic spices, floating in a completely
unknown world. Is that what you
imagine when you hear of Zanzibar?
Are you searching for something new,
undiscovered and untouched?
Then there is no need to look any further.
The Blue Oyster is a small family-style
hotel, directly adjacent on the white
sandy beach of Jambiani, picturesquely
surrounded by coconut palms.*

1+2 PLEASE TAKE A SEAT Our restaurant is located on the upper floor of the Hotel. It has an outstanding view of the sunrise and moonrise over the sea. Enjoy delicious local and international dishes from our excellent kitchen. Daily, we offer freshly caught local fish, a variety of salads, fresh vegetables, and a selection of exotic fruits. **3+4 NGALAWA** With a „Ngalawa“, a native fishing boat, we can take you to the best spot on the reef for fishing and snorkeling (scuba diving can be arranged with a nearby PADI dive centre). For a very special adventure you can swim among the dolphins at Kizimkazi

5 ROOMSERVICE Picturesquely surrounded by coconut palms, our small Hotel (12 rooms) is directly on the white sandy beaches of Jambiani, The furnishing is authentic, based on the local swaheli style. **6 ACTIVITIES** Should you want more than sunbathing and relaxing by the sea there are plenty of activities to do from the Blue Oyster Hotel: We will be glad to organize a day trip for you to Jozani Forest Research Centre (18 km from the hotel), a rain forest with the only colony of Red Colobus monkeys in the world or visit Stone Town, the historical capital of Zanzibar with its world famous spice and bead market.
